

Spring 2009 Geology 111G Field Trip

Date: 4/25/09

Departure Time: 8:00 am

Return Time: 12:30 pm

Meeting Spot: Breland Hall East Parking Lot, across street from the Activity Center

Join Professors Giles and Amato for a geology field trip to the Robledo Mountains, home of the Trackways National Monument. See Paleozoic fossils, basalt flows, faults, and folds. Fossil collecting is prohibited.

The trip will involve moderate hiking of up to 2 miles round trip. All transportation will be provided.

Bring: Hat, sunscreen, water, pants (shorts are not recommended), close toed shoes or boots (flip-flops are bad), and a notebook for recording your observations.

Sign up with your 111G lab TA by April 17.
